The APL Forge – Introduction and Prize Ceremony

Stine Kromberg

Welcome to the APL Forge

Shaping Tomorrow with APL

Do you have a problem and are looking for the right language in which to solve it? Do you have an idea for a library that you think other APL users might benefit from? Do you have an APL-based application that you want to share? The APL Forge is where we reward you for using Dyalog APL to solve problems and develop libraries, applications, and tools.
