The APL Trust US

Non-Profit Charity - IRS 501(c)(3)

Mission:

We are a non-profit dedicated to promoting the global awareness and use of the APL programming language.

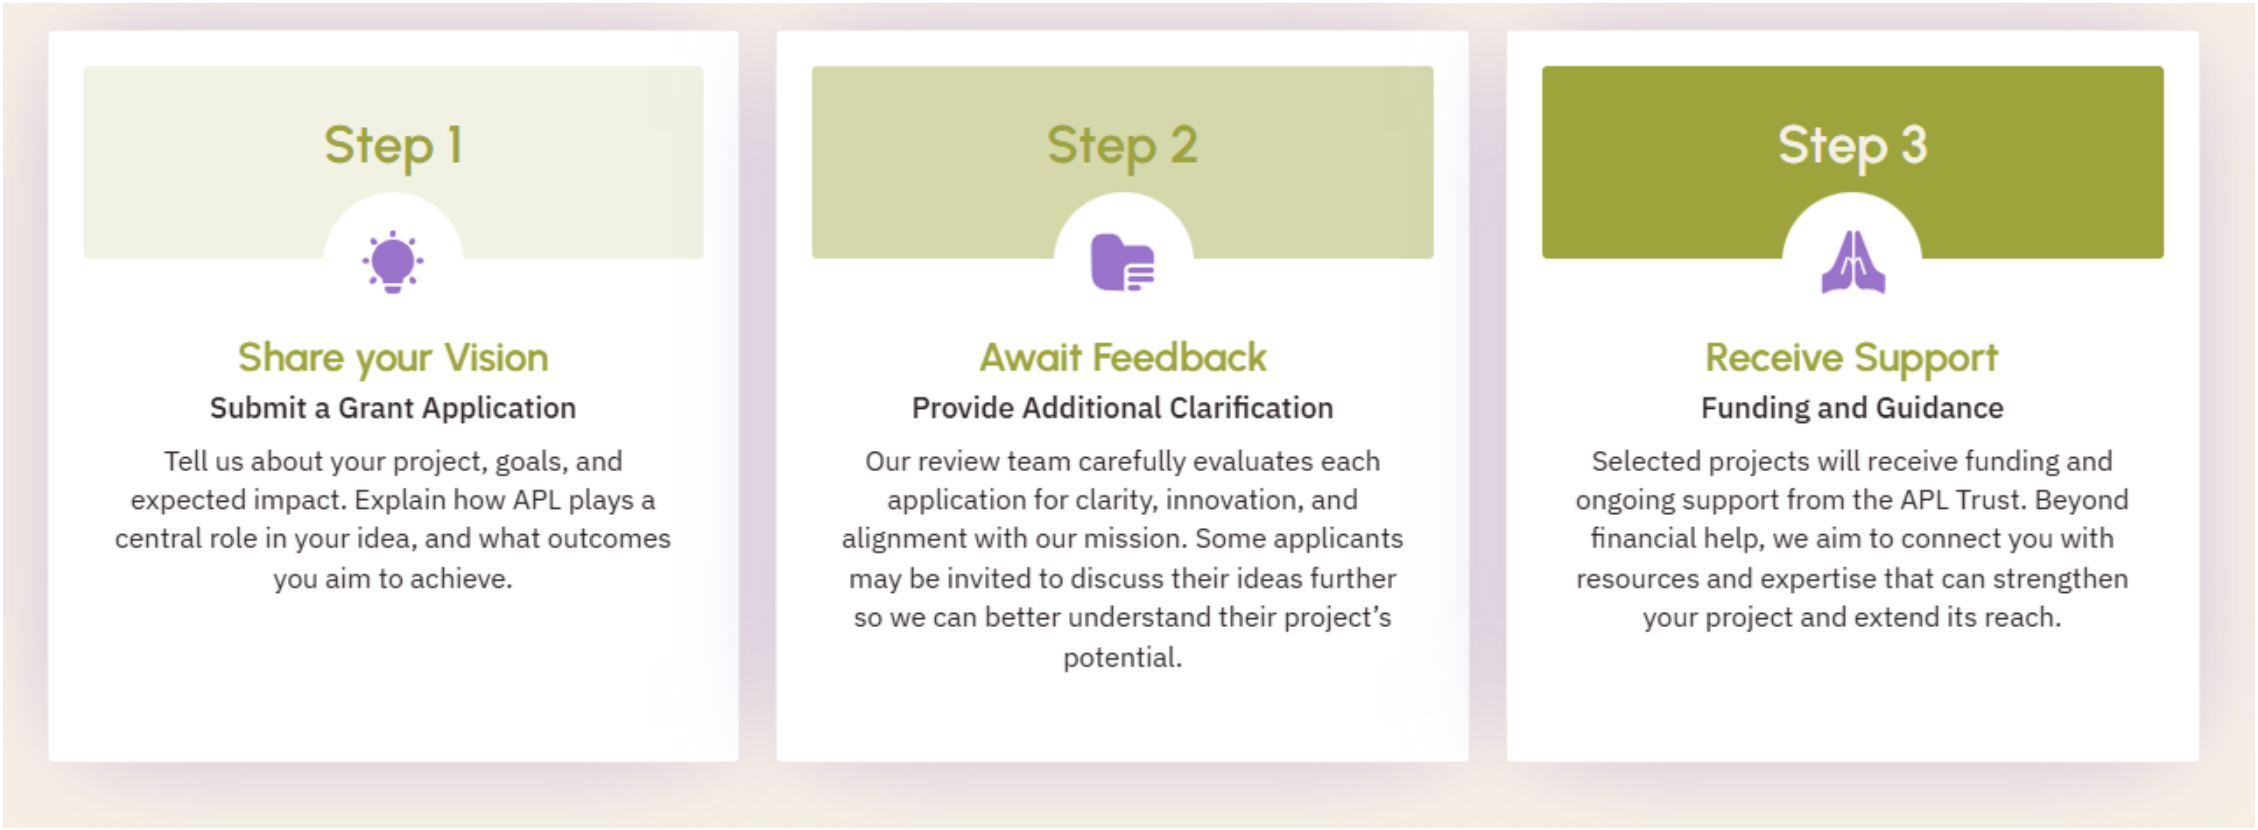

By funding an array of APL based projects, particularly in the fields of science, engineering, and mathematics we aim to showcase the genuine utility of APL as a tool of thought to improve the capabilities of people and computers alike using concise code.

Current Status

- The APL Trust US is an Incorporated Charitable Entity.
- We have a website – **TheAPLTrust.US**
  - Thanks to: Dyalog, Mike Mingard, Bob Smith
- **We have Money**! – thanks to our generous donors!
- Grant applications accepted on a rolling basis – no deadline.
- We have awarded 3 grants to date:
  - Madeline Vergani for the modernization of the APL387 font and for the APL 335 Font
    - Presentation – Today 3:50 PM
  - Katerina (Katya) Solstad for Reality through APL and The Book of Glyphs a transformational idea for exploring and learning APL
    - Presentation – Today 4:20 PM
